

## Waypoint Church - Giving Tips

Thank you for joining in the work God is up to through Waypoint Church by giving.

For more information about how to Give at Waypoint see our website: <https://www.mywaypointchurch.com/giving>.

*Did you know?* ... There are many ways to give to Waypoint Church?

Give Online on the website (<https://www.shelbygiving.com/App/Giving/bbf>)

Give via Text by texting an amount to 832.786.5466

Give via the WAYPOINT APP

Give via your banking institution or bill pay system

Give on a Sunday morning on campus

Give by drop off to the church office in the week or by mailing a check  
(Church address 25335 Fulshear Gaston Rd, Richmond, TX 77406)

*Did you know?* ... While giving online is a convenient way to give, there is a fee charged to the church?

(this applies for giving through the website, text, or using the Waypoint App)

This fee varies based on how you give and the amount and can range anywhere from .75% to 6.5%

The fee % for smaller amounts is higher than for larger amounts.

The fee % is less for ACH Giving (directly from your bank account)

vs Debit or Credit card giving (which has a higher %)

*Did you know?* ... There is NO Fee when you give in these ways:

- Give using check or cash deposited in the Black box on your way out of the Worship Center.
- Drop off a check or cash at the Waypoint office
- Mail at check to the Waypoint Office
- Use your Bank's online banking services to schedule an electronic check to be sent to Waypoint.

*Did you know?* ... You can set up your payment information so you don't have to enter it each time you give?

Using the Giving button – sign in to your account and choose to edit your account,

then you can add a "Payment Method" (your bank account or card number).

Once this is done then in the future you just need to sign in and choose the payment method.

*Did you know?* ... You can set up a recurring payment that will give automatically?

Sign in to your account to make the gift.

When you enter your gift click the box to make it "recurring" and choose the frequency

(weekly, bi-weekly, monthly, etc)
